Exhibit Guidelines:

- All work must be original (no giclées), framed, wired, and ready to hang, or have painted edges on gallery-wrapped canvas. Wire should be placed three inches from the top. Proper mats, glass, or Plexiglas must be used when needed.
- All artwork should remain in the exhibit. If a piece is sold, it can be replaced with another, as long as it fits within the theme of the show. Other artwork will remain in the exhibit for two months.
- The artist is responsible for remitting sales tax on any artwork sold.
- A 30% commission on artwork sold will be donated to the Emerson Center. The purchaser will pay the artist in full, and the artist will then remit 30% of the sale by check, made payable to UUFVB.
- The list of artwork to be entered should include the artist's name, title, medium, size, and price, along with an image of the artwork for publicity purposes. Send this information to Dawn Orre at dawnorre@gmail.com.
- Although the Emerson Center will do its best to protect your artwork from harm or theft, it accepts no responsibility for loss or damage. By signing this contract, the artist agrees to hold harmless the Emerson Center from any liability for any reason.
- Refreshments for the "Meet the Artists' Reception" are provided by the artists.
